Dear Posey:

I know you are so busy entertaining visiting Elks now that you aren't thinking about the base ball, but I decided I had better drop you a line anyway. First of all right now it looks like we should win this half, and if we do I would like to know if you plan any kind of a playoff with us. If so I will have to keep the team on salary. Otherwise I will be thinking about cutting expenses. From the wins and losses, and the games remaining to be played, I dont think anyone could win but The Eagles or The Grays. In that event if you win both halves would you play us in Washington the 12th anyway? If we do play the 12th, do you want us any days before or after that date?

Please take time out to answer this letter right away, or telephone me, because I will be lost about what to do after the 6th. If we do have a play off, do you think we should try to get in Shibe Park one night? The only day we could plan on Newark would be a twilight the 7th or 8th, and I dont think it would be so hot. The Bears dont finish until the 12th, and they will be in a playoff I am sure.

Mitchell sure messed me up on the 22nd. We are playing a service team. As hard up as the teams are for parks, here is a park going to waste. Please let me hear from you right away.

Very Truly Yours
